The Fundraising Ideas & Products Center

<http://www.fundraising-ideas.org>

The **Fundraising Resource Guide** was prepared to make it easier and quicker for fundraisers such as yourself to find the most appropriate fundraising product for your group. It contains product information for a wide variety of independent companies who are ready answer any questions you have. When you contact any of the listed companies, please let them know that you found them in the **Fundraising Resource Guide**. This will ensure that we will be able to continue providing it free to fundraising groups such as yours.

Do-It-Yourself Fundraising

You can also find a large selection of non-commercial do-it-yourself fundraising ideas to supplement your fundraising program. Our do-it-yourself fundraising ideas come in a variety of sizes and shapes.

Some are traditional and some are really bizarre! Some contain detailed instructions while others are just brief summaries of past fundraising activities of other organizations. Hopefully you can adapt some of them to have fun and raise funds for your group. We often include similar information from multiple sources to reflect possible variations. You will definitely find some repeats but ... just maybe ... that's because they have proven to be successful! How about a flamingo flocking, chicken soup swim, miniature Bible town, car smash, cow pie bingo, night in jail, plane pull, goblin insurance, topless car wash, potty protection insurance, don't come event, outlaw hunt, kiss the pig, polar bear plunge, paw painting art show, Santa letter, stair climb, and thons of every type? All are offered to help your group raise money and have fun! Curious? Find these and more at <http://www.fundraising-ideas.org/DIY/>.

Fundraising Newsletter

You can also subscribe to *The Fundraising Hotline*, a free monthly newsletter made available via e-mail. Each issue includes a new or unusual do-it-yourself fundraiser, sources of fundraising products and services, helpful articles from fundraising professionals, fundraising tips, news, trivia, book reviews, and maybe even a little humor. We hope that each issue will contain information that is beneficial to you and your organization. If you later decide you no longer need fundraising information or if you don't find our newsletter helpful, just click on the unsubscribe link at the end of each newsletter.
